BRITISH CURRICULUM

Hi, we're ISCB!

Academic year 2024-2025

Academic Year / Curso Escolar 2024-2025

The International School of Cos. Brava (ISCB), founded in 2020 in Platja D'Aro, Girona, is an International British School, pioneer in concept-driven education. At ISCB we offer the British National Curriculum of England and Wales, complemented with a thoroughly planned holistic approach to emotional wellbeing and child's development.

At ISCB, we complete our curricular offer with a Forest School Program, led by Forest School Trained practitioners. Forest School is a child-centred inspirational learning process that offers opportunities for holistic growth through regular sessions. It is a long-term program that supports play, exploration and supported risk taking. It develops confidence and self-esteem through learner inspired, hands-on experiences in a natural setting. Learning outdoors, holistically or organically from nature is one of our main targets as a school.

The School has direct access to its own forest of 30 hectares and the beach and the town of Platja D'Aro is a short walk away. Children will have regular access to our stunning natural surroundings during the school year through the Forest School Program and other activities organised by teachers.

We offer a simulating, engaging and challenging multicultural environment where the intellect, the emotional and creative potential of each student is developed, optimised and respected.

ISCB Schedule

- ◆ **4.00 pm** Classes finish for primary

“

This school is perfect for me because we have a forest and a football field. Our school has competitions games and fun days througout the year like Halloween, Christmas and Easter. We have kind teachers, perfect food, friendly students and it is international, so that means we speak English. We have fun lessons. We have pet animals at school too and soon, we will have fish.

ALEX, YEAR 5

HEALTHY SNACK POLICY

At ISCB, we are committed to fostering a culture of health and wellness among our students. Proper nutrition plays a vital role in children's growth, concentration, and overall well-being. To support this, we encourage students to **bring only healthy and nutritious snacks** to school.

Healthy snacks should include **fresh fruits, vegetables, whole grains, dairy, and protein-rich** options. We kindly ask families to avoid processed foods high in sugar, artificial additives, or unhealthy fats, such as candy, chips, and sugary drinks.

By making mindful food choices, students develop lifelong healthy habits that benefit both their learning and overall health. Together, we can create a **positive and nourishing school environment!**

ACADEMIC YEAR
2024-2025

ACADEMIC YEAR
2024-2025

“

As a Year 12 student at ISCB preparing for my A-level exams, I can confidently say that the support from our teachers has been amazing. They are always there to help with any questions and give great advice to make sure we're ready for our exams.

The school has a welcoming and respectful atmosphere, which has made my time here really enjoyable. Being part of such a diverse community has opened my eyes to different cultures and ideas, and has prepared me well for university. Thanks to ISCB, I feel ready and excited to take the next step in my education journey.

MARC, YEAR 12

ACADEMIC YEAR
2024-2025

Why Choose ISCB?

Academic year 2024-2025

We offer a stimulating, engaging and challenging multicultural environment where the intellectual, emotional and creative potential of each student is developed, optimised and respected. ISCB encourages the highest standards of academic achievement and provides access to third-level institutions across the UK, Europe and the rest of the world. The curriculum, which is compatible with the local "Plan de la Generalitat", is based on the National Curriculum of England and Wales and brings together the best of Anglophone education abroad.

BRITISH CURRICULUM

Why Choose ISCB?

ACADEMIC YEAR
2024-2025

◆ **SMALL GROUPS**

We believe that students learn best in smaller groups. Optimising teacher-student relationships, bonds with fellow students and personalised learning are at the heart of what we do.

◆ **AUTHENTIC LEARNING**

As a pioneer school in Spain with our Forest School programme, and waiting towards being an accredited UNICEF Rights Respecting School, we offer unparalleled authentic learning opportunities for all our age groups.

◆ **TEACHING VALUES**

We create independent learners and thinkers within a safe and supportive environment where every student can thrive and develop positive academic, life and interpersonal skills.

Other ways to get to know us?

◆ **We invite you to discover our school**

Schedule an appointment to tour our facilities and see firsthand how your child can benefit from a unique British international education in the province of Girona.

Book a private tour

◆ **TRIAL DAY: Come spend the day with us!**

We offer the opportunity for parents and future students to experience a day at ISCB, getting to know our environment, teachers, and teaching methods in action. **Book a trial day**

◆ **Open enrolment**

Our easy and straightforward admissions process is designed to help you get in touch with us quickly and comfortably by completing this simple contact form. Please read on for information that will help you in the process of applying and/or finding out more at International School Costa Brava.

Apply for admission.

◆ **Do you have any questions?**

We are here to help you. Fill out our **contact form**, and we will get back to you as soon as possible.
